### MEDIA RELEASE

#### APPOINTMENT OF NEW STAFF MEMBERS AT CPBN

This communication serves to respond to media queries received as a result of a notice that is circulating on social media relating to the appointment of fourteen (14) new staff members who joined the Central Procurement Board of Namibia (CPBN) during the months of April and May 2020.

CPBN has a Human Resources Policy which provides for procedures to be followed in the recruitment and appointment of new staff members. The first step in the recruitment process of CPBN is to advertise identified vacancies in the public domain. To attract a diverse number of applicants, CPBN advertises all its vacancies in the print media and on its Website.

Note that the recruitment of CPBN staff members is based on the applicant's qualifications, skills and experience as required by the particular vacancy. As a result, the institution processes applications as received from the members of the public.
